Mr. Harris will contact his widow about the back taxes.

There was discussion on helping Francis Flint with some of the more routine jobs so that she could concentrate on getting back taxes. D. Curbs suggested printing checks on the computer. The computer can calculate 1099 and W-2s. \$150 would be needed for computerized checks. A payroll serving program would be \$200. Fran would still write the warrant. Mr. Harris asked D. Curbs to write out a proposal.

Workshops for Clerk - Two more workshop-training events were approved for Jane Gibbons' attendance - Records Management and Licensing, May 15 and May 23 respectively. Ms. Gibbons pointed out that with the two school board elections and three workshops in May she would be working many more hours per week than is allowed under the Labor Department rules. She will not be in the office on Tuesday, April 24 to attend the New Clerks Workshop in Augusta and Tuesday, May 15 to attend the Records Management Workshop in Portland. A question was raised concerning reimbursement for travel time and mileage. Ms. Gibbons has not submitted these for the workshops she has attended.

The meeting was adjourned at 8:12.
